

Palliative Care ECHO

Let's improve palliative care in Arizona, and let's do it fast.

Program GOAL:

- Enhance provider capacity in the use of palliative care best practices to **better** diagnose, manage and provide quality care for patients with complex *serious* illness

CLICK HERE
to
register

WHAT is happening?

- Earn FREE CME/CEU credit from your clinic
- Join our **virtual learning network** of medical providers
- Discuss **emerging best-practices** for patients with complex serious illness
- **Case-based learning** and expert consultation

WHO should attend?

- physicians | advanced practice providers | RN | LPN | private practices | hospices | programs | fellows | MSWs | TLCFs | LCSW | & more!

When? Every other Tuesday, 12pm – 1pm (Arizona local time)

chs.asu.edu/project-echo
